

Eduardo Fabrício Moreira Souza -> (92) 98471-6961

Email: eduardofabricio2107@gmail.com

Brazil, Amazonas, Manaus

I'm new in the job market, I don't have so much experience, but I'm focused on doing my best for my first job. I have good skill with programming, quick learning and a good relationship with teams and groups. As my mom said "work with what you like and you'll work well.

And I really like this profession.

My Objective is to be helpful, help the company grow and gain more experience for my life and career.

Education

- High School Diploma (computer technician), IFAM (Federal Institute of Amazonas),
Expected Completion [9 month]

Skills

- Python
- HTML, CSS, JAVASCRIPT, more advanced
- JAVA
- KOTLIN, Android Studio
- I already done projects with MySQL, Firebase and MongoDB
- Photoshop's basic
